Golden Visa 2026

8 investment-residence programmes: entry thresholds, time to citizenship and eligibility for RU/BY passports — with official sources.

8	7	3	€250,000
programmes compared	open to new applications	closed to RU/BY passports	lowest threshold on paper

What matters in 2026

1. Portugal: funds only, from €500,000. Since 19.05.2026 citizenship takes 10 years (Lei Orgânica 1/2026).
2. Spain closed its golden visa on 3 April 2025. Non-lucrative residence, the digital nomad visa and the entrepreneur route remain.
3. Italy, Greece and Malta do not accept new applications from RU/BY nationals. Portugal and Thailand do not exclude them by law.
4. In the EU, property still qualifies on its own only in Greece; outside the EU, the UAE. Portugal removed it in 2023.

Portugal, 2026. Lei Orgânica 1/2026, in force since 19 May 2026 — citizenship now requires 10 years of legal residence (7 years for EU and CPLP nationals), counted from the first permit's issue date. Nationality applications filed by 18 May 2026 keep the old 5-year rule. The main ARI route is €500,000+ in qualifying Portuguese funds (no real estate, ≥5-year maturity, ≥60% in Portuguese companies).
